It has leased O'Neill hall for one year and is engaged in fitting it up with all the apparatus that a well equipped gymnasium ought to have.

**THE YOUNG DEMOCRATS**—There was an enthusiastic meeting of the Young People's Democratic club last night. The proceedings were opened with an old-fashioned spelling school. the administrator of the estate of Josephine Elvey permission to lease real estate of the estate. A. J. Bradley and a petition for letters of administration on the estate of W. H. Bonham. So far as known the estate consists of little beside several life insurance policies. He has no relatives in this part of the country, but he has some somewhere in the east. His affairs will be taken charge of by the Elks, of which order he was a member.

**A NEW STORE**—Mr. Chester W. Conger, who has been employed in the Alkire store for the last seven years, and his brother-in-law, Mr. I. H. Calster, who for some time has been a partner in the Tucson Hardware company, have associated themselves together in a new business to be opened here at once. It will be a dry goods and house-furnishing cash store and rooms have been secured in the Talbot building, entrance being made through one of the front doors of McKee's store. They will carry a good stock of everything in their line and their goods are arriving daily. Mr. Conger is well known here as a very capable young man and Mr. Calster will be welcomed in the commercial circles of the city.

**A REAL ESTATE TRANSACTION**—Mr. D. W. Coons and wife of New York city have been spending a few days in Phoenix, Mr. Coons being the owner of valuable real estate in this valley. Yesterday he sold his fine ranch on the Christy road to Henry E. Ware, the consideration being \$10,000. The ranch was known as the old Alkire ranch, and is considered one of the best and most beautiful in the valley. Mr. Coons has owned the ranch for over eleven years, and was loath to part with the property, as he has great confidence in the future of Arizona, having large interests in the east he decided to sell here. Mr. Ware will beautify and improve the ranch and make it his future home.

**SOMEBODY SHOT**—There was an interesting time at the house of Senora Rosa Allayon, near the old block, on Sunday night. In consequence of a quarrel which had taken place, a disturbance of the peace and discharging a firearm within the city limits, to all of which he pleaded not guilty in Justice Burnett's court yesterday. He was released on bail in the sum of \$25. It was charged that he entered the house of Mrs. Allayon and discharged his revolver in the floor, walls and ceiling. He said that he had no revolver, but that the shooting was done by Mrs. Allayon's son Jose at him with murderous intent but inaccurate aim. Allayon was arrested on a warrant from Justice Gray's court, where he was fined \$20.

**NEW CORPORATIONS**—Articles of the following corporations were filed in the office of the county recorder yesterday: Mesa Trading company, capital stock \$25,000, incorporators, H. Burris and W. E. Dent of Mesa; Centennial No. 2 Mining company, capital stock \$300,000, incorporators, J. F. Berch, C. H. Schenk, J. H. Husher and J. Maurin; The Copper Bull Mining company, capital stock \$3,000,000 incorporators, L. J. Roberts, J. A. Garner and C. F. Maguire of Pueblo, Colo.; The Union Consolidated Refining company, capital stock \$1,500,000, incorporators, C. H. H. Gorman, J. H. Philmer and J. F. Cresmer of New York; El Capitlan Copper company, capital stock \$1,000,000, incorporators, same as above; Aranjuez Mining company, capital stock \$1,000,000, incorporators, C. Edwards, P. F. Brown and J. Newlands, San Francisco.

**EASTERN VISITORS**—Mr. and Mrs. George J. Chapman and children and Mr. and Mrs. G. B. Watson and daughter, Gertrude, of Connecticut, arrived here yesterday and are stopping at the Ford hotel. They are touring the west and expect to go on to California in a few days to see the country, but stopped off here to visit Supreme Court Clerk J. A. Cox, who is a former townsman. They are greatly impressed with Phoenix and both gentlemen particular mention yesterday of the fine horses and turnout seen on the streets. Mr. Chapman is a real estate dealer and is also interested in the trolley lines in Connecticut, but incidentally he is a great admirer of horses and owns some good ones. Mr. Watson now practically retired after an active business life. It is quite probable that the party will return here after their visit in California and spend the rest of the winter in Phoenix.

**BROKE HIS ARM**—Frank McCrea, who drives a wood wagon for the Phoenix Wood and Coal company, suffered a very painful and serious accident late yesterday afternoon. He was driving the wood wagon, which is a one-horse vehicle, on North Central avenue when the horse became frightened at Dr. Sweeney's automobile and made a successful break from restraint. Mr. McCrea was thrown out and his right arm was broken at the wrist. Mr. Williams of the Ford hotel, happened to be driving behind the wood wagon, and with a friend they

placed Mr. McCrea in their buggy and took him to the office of Dr. Dodge, who dressed the wound. But as soon as Dr. Sweeney could locate the injured man, he kindly offered to take the case and care for it without charge and the offer, of course, was accepted.

**FROM THE NORTH**—Mr. J. T. Pendergast, of the Prescott Prospector, came down on last night's train from the arctic regions of Arizona. Mr. Pendergast is out in the interest of the Prospector's special holiday mining edition, which he says is to be a hummer.

**GRAPE-FRUIT**—About the best ever in the line of grape-fruit was brought to the board of trade room yesterday by Mr. G. H. Clayton, from his ranch on the Cross-cut canal. There are six bunches in the cluster hanging from one small branch, and each one of them is nearly as large as a football. The weight of the cluster suggests that steel rods must grow in the heart of the limb of the tree, as it is almost incredible that a wooden twig can sustain so much weight.
